JAVASCRIPT/ HTML / CSS

Web development hones my analytical skills and sharpens my intuition for effective UX. I'm interested in the intersection of technology and design.

READING

James Baldwin once said, "You think your pain and heartbreak are unprecedented in the history of the world, but then you read."

SKIING

Powder days. Backcountry. First chair all season long. Nothing makes my soul sing like days in the mountains.

LAUGHING

My daily goal is to have a good laugh—the kind that comes from the belly and eases worries.
